Dear Sir/Madam,

COMPUTER HARDWARE WITH NETWORK (COURSE CODE : CHC)

Vocational Training Centre – Dehiwala, affiliated to the National Youth Services Council under Ministry of Youth Affairs and Sports, is one of the leading institutes provide vocational training to the youth of our country whilst Computer Hardware with Network is one of the best courses conducted by our institute.

Computer Hardware with Network provides necessary computer hardware and networking expertise for beginners as well as the Technicians already in the Computer Hardware field. We have the most comprehensive syllabus which covers all areas needed, which includes Desktop, Laptops, CCTV, Printer and other component repairs and covers network system essentials which needed to configure and Networking System for an Organization. So that your organization do not have to hire a separate person in order to manage your Computer and Network System.

On completion of this course students will be offered with a valued certificate by Vocational Training Centre – affiliated to the National Youth Services Council. We have trained technical officers from most of the Government Organization including Universities, Three Forces and Sri Lanka Police.
