Dear Madam,

4th International Conference on Resource Efficiency and Circular Economy 2026

National Cleaner Production Centre, Sri Lanka in collaboration with **Ministry of Industry and Entrepreneurship Development** proudly present the 4th edition of the pioneer Circular Economy conference in the country – **4th International Conference on Resource Efficiency and Circular Economy – 2026**.

10+ internationally practicing speakers will share knowledge and experience with the audience to accelerate sustainability and circular transformation which is fundamental to meeting the EU and global market demand. Inclusive array of target audience such as Industrial practitioners, policymakers, academics, researchers, and sustainability professionals can be benefitted from this Conference. The participants will gain access to internationally recognized experts and thought leaders. Also, **Certificate of Participation** will be issued to the participants.

The conference will be held on **Friday, 6th November 2026** from **8:30 AM – 4:30 PM** at **Cinnamon Life, City of Dreams, Colombo, Sri Lanka.**

The subsidized fee for programme will be total 13,500 + Taxes. For more details, visit: https://www.ncpcsrilanka.org/international-conference-2026/

We highly appreciate if you could share this announcement among the staff of your organization and encourage the participation in this landmark event.

Please find the attached conference write-up and brochure for your further information and reference.

Thank you.

Yours sincerely,

Eng. Samantha Kumarasena
